SIP COCKTAIL TABLE WITH HORSEHAIR TOP

\$3,515

DESCRIPTION

The interplay of refined workmanship and innovative design give life to this stunning cocktail table in which balanced proportions and prized materials combine to reveal a unique aesthetic. Entirely handcrafted of black American walnut, this sculptural piece showcases a round top covered with beige horsehair fabric and two uniquely shaped legs resting on a round base. The slender legs widen towards the base and are accented with a rose gold metal insert along the interior. This statement piece can serve as the aesthetic focal point of a living room corner, staircase, or foyer.
