SET OF 2 SIRENA S CANDLE HOLDER

\$160

DESCRIPTION

Sirena is inspired by the shapes of a woman's body, that meets by abstraction the Sirena Parthenope, a mythological Neapolitan figure. Realized with PLA WOOD, an ecologic and biodegradable material that is 3d printed. Every object is slightly different, unique, even if reflects what you see in the pictures. Fire cannot reach the object's surface. Sirena is part of a collection, that by abstraction is inspired by Napoli, and its myths, places, and lifestyle.
