SIRIO WALL MIRROR

\$860

DESCRIPTION

Showcasing a slender silhouette, this exceptional wall mirror strikes for its timeless charm. The wooden frame (4.5 cm thick) features an inlaid, striped decoration, enriched by hand-applied bronze leaf. The mirror surface is fashioned of beveled Italian crystal and contributes to optically widen the room. Hooks have been previously fitted to the back of the mirror, whose frame can be custom made or requested in the silver and gold leaf variants.
