SLIM SISSI SET OF 2 CHAIRS BY MAURIZIO PEREGALLI

\$875

DESCRIPTION

A slender silhouette defines this superb set of two chairs, dominated by geometric lines that are elegant yet comfortable. The ultra-thin (1 mm thick) steel seat (46 cm high) seems to float on the steel square tube frame (10 x 10 mm) with the T-shaped base finished in epoxy-painted embossed rust (also copper black with sand textural effect). A padded cushion in black or white eco-leather with mounting magnets is available separately. The outdoor version in natural rust or embossed white has a weather-resistant coating, please contact the Concierge for details.
