SLOANE WHITE BOOKCASE

\$11,025

DESCRIPTION

Part of the sophisticated and unique Sloane Collection, this bookcase is elegant and modern and will be stunning by a wall, behind a sofa, or in the center of a room. Its structure rests on a plinth base and is made of wood with a refined glossy white lacquer to cover its external structure and horizontal shelves. Vertical dividers in metal with a bronzed finish add striking metallic accents and create a more dynamic and versatile display space.
