SLY HIGH SOFA WITH ROPES BY ITALO PERTICHINI

\$5,400

DESCRIPTION

Perfect for any setting in the home or office, this sofa offers infinite possibilities for customization and combinations of upholstery, colors and finishes. The back, available in a high or low version, features slits closed with polypropylene cords of various colors. The legs in natural beech wood, also available in other finishes, match with the two-tone upholstery of the body, which is available in an array of colors.
