Bitossi Ceramiche

SMALL BLACK CENTERPIECE BY ARIK LEVY GEORGE

\$450

DESCRIPTION

Contemporary yet classic, this centerpiece is characterized by sharp, geometric lines and a two-tone finish that are the trademarks of the Tribe Collection designed by Arik Levy George for Bitossi in 2007. Entirely turned on a lathe using white refractory clay, this footed centerpiece rests on a cylindrical base and boasts a stunning dual-finish with a matte black exterior and a glossy red enamel interior that enhances the timeless elegance of the piece. Part of a limited edition series of 99 pieces.
