SMALL BLACK VASE BY ARIK LEVY GEORGE

\$450

DESCRIPTION

Masterfully handcrafted of white refractory clay, this exclusive vase is part of the Tribe Collection designed in 2007 by Arik Levy George. Turned on a lathe to reveal a geometric silhouette, the matte black finish on the outside combines elegantly with the brilliant red enamel inside, peeking through the small mouth on the cylindrical neck. Available in a limited edition of 99 pieces, this vase will be a stunning display on a console in a living room, foyer, or study either as a statement piece or arranged with the others from the same collection.
