SMALL BRIGITTE WEEKEND TRUNK

\$6,000

DESCRIPTION

Inspired by the sensuality of Brigitte Bardot, this trunk has the refined and slender silhouette ideal for a long summer vacation to the French Riviera. Either in a hotel overlooking the sea or sailing on a boat, this vintage-inspired luggage will add elegance and spacious storage space. The thin birchwood frame is upholstered with beige leather, highlighted with vacchetta straps and corners. The hardware is in palladium-plated metal with an aluminum puller and two high-density rubber wheels at the bottom, while sartorial wool lines the interior. This piece is handmade and customizable.
