Marioni

SMALL CAROUSEL TABLE

\$5,980

DESCRIPTION

This coffee table, designed by Piero Angelo Orecchioni for Marioni, bears a unique shape and an interesting color palette. The color block pattern alternates from blue to black along the surface of the table. While its underlying geometric structure is in solid black. The table top curves on one side, perfect for hugging the side of the couch when relaxing in the living room. This functional and convenient piece will make the perfect addition to any home decor collection.
