OROLOGETTO

\$820

DESCRIPTION

As stunning addition to a home or as travel companion, this clock is a treat for the eyes, both when closed and opened, and a pleasure to touch, thanks to the satin finish of its mahogany surface. Its simple shape and portable size make it a versatile object of functional decor that can also be an exquisite gift. The roman numbers and round face of the clock are a retro details that evokes the bygone year in which it was designed: 1930. The grain of the piece can also be in cocobolo, ebony or pernambuco - please ask the Concierge for details.
