Bitossi Ceramiche

SMALL DOVE-GRAY VASE BY ARIK LEVY GEORGE

\$410

DESCRIPTION

The sharp contrast between textures and colors captures the trademark aesthetic of the Tribe Collection, designed for Bitossi in 2007 by Arik Levy George. Crafted of white refractory clay, this vase is turned on a lathe and finished with a bi-color enamel, matte dove-gray outside and acid green inside, to highlight the linear and essential silhouette composed of three cylindrical shapes of different sizes. Part of a limited series of 299 pieces, this vase will create a dynamic look in a modern interior, when displayed with the others of the same collection.
