SMALL HARLEQUIN STATUE

\$1,925

## DESCRIPTION

Mysterious yet alluring, this exquisite statue strikes a poetic balance between art and decor. One of the most recognizable characters from the Commedia dell'Arte, the Harlequin is here depicted performing a magic trick with his swooping black cape. Every detail is expertly rendered by hand, from the iconic, multi-colored, checkered costume and bold neck ruffle to the structured white hat and slim eye mask. Showcased exclusively at Milano Design Week 2018, this piece of fine craftsmanship is a striking addition to a personal collection or given as a gift to a lover of theatre and art.
