SMALL JAMES TRUNK

\$7,320

DESCRIPTION

This stunning trunk is named after the iconic personality of James Dean, with its daring love for speeding cars, symbolized by the black leather upholstery, contrasting its delicate features, found here in the light birchwood structure underneath. Enriched with cuoio inserts, the exterior is completed with palladium-plated hardware, an aluminum puller highlighted by exotic wood, and two high-density wheels at the bottom. Inside, the interior is lined in sartorial wool. Combining rock&roll edgy look with luxury, this piece (customizable upon request) will make a statement on any occasion.
