## SMALL MELON SOUP TUREEN BY LE CERAMICHE D'ESTE

\$140

### DESCRIPTION

Marked by the unparalleled quality that distinguishes all artistic creations by Ceramiche d'Este, this superb melon tureen is a magnificent way to present individual servings of soup or risotto on an elegant dining table. Handcrafted with the original 18th-century molds used in the workshop of Girolamo Franchini in Este, the melon is rendered in masterful details, with the curved stem of the fruit forming the lid's handle.
