SMALL ORANGE HEAD VASE WITH APPLICATIONS

\$355

DESCRIPTION

This striking vase mixes the centuries-old Sicilian pottery tradition with a modern and sophisticated design. The entirely handmade and hand-decorated piece is a one-of-a-kind object that evokes a woman's head, with a slender neck, hair parted in the middle, two small earrings, and two square openings that represent the eyes. An object that will make a statement in any decor, this vase features vivid colors and a unique design. It can be displayed alone or with other pieces by the same designer.
