SMALL PACAY GOLD AND WHITE VASE WITH GOLD LEAF

\$1,010

DESCRIPTION

This exquisite vase is part of the Pacay series and features a narrow body, sinuous profile, and a color block decoration that, in this case, is enriched by the use of hand-applied gold leaf for front and back. The warm and elegant hue of the gold elegantly complements the white painted on the sides that gives this piece a contemporary character. Alone, or along with other vases from the same series, this piece adds a sophisticated light to any decor.
