Marioni

SMALL RECTANGLE CAROUSEL TABLE

\$3,960

DESCRIPTION

The structure for this table, crafted in the minimalist style, has a unique open shape. One side features an open rectangular support while the other features one central linear support, allowing the piece to take up less space in the home. The top of this exquisitely crafted piece has a rectangular shape and it features a blue and black color block pattern. This table, designed by Piero Angelo Orecchioni for Marioni, can be ideal for a small apartment and can also be paired with other tables in the Carousel collection to decorate a larger living space.
