SMALL SATIN GRAY CROCODILE BOWL

\$195

DESCRIPTION

This handcrafted crocodile bowl belongs to the Bowl Collection of animal-shaped pieces of functional decor designed to enliven any modern home. Crafted by hand using the colombino technique, each piece is first kiln-fired at 960°C and finished with a final firing at 930°C to seal the satin-gray glaze. This food-safe bowl makes a fun addition to a party table where it can be displayed with others from the collection in a playful arrangement. Available in two additional sizes, please contact the Concierge for customization options and care details.
