**SMALL SQUARED WHITE BIN**

**\$320**

## DESCRIPTION

Discreet design where to stow towels, digital devices, or simply throw garbage, this wooden bin manages to uplift its common purpose. Prized, off-white leather covers the exterior and accents the edges of the lid, which comes equipped with a rope handle, the same material used for the decorative ensemble of horizontally juxtaped cords adorning on the external side. Offered in brown or blue variants and in a larger size.
