SMASH CANDLE HOLDER

\$420

DESCRIPTION

This striking candle holder is a modern interpretation of this iconic element of decor. It was entirely made in marble to reproduce a piece of metal tube folded in half. The effect is playful and elegant, thanks to the masterful craftsmanship involved in the creation of the piece. The candle holder piece in brass adds a touch of color and gives it another precious accent. The piece can be used on both sides and will make a statement in any decor.
