SMOKY QUARTZ TABLE LAMP

\$4,620

DESCRIPTION

A marvelous one-of-a-kind piece of hand-cut, light-colored smoky quartz rests mounted on a hand-crafted base of nickel-plated brass, constituting the body of this lamp, which is paired with a creamy white colored rectangular shade. This natural stone from Madagascar has healing qualities and it is thought to facilitate the release of positive energies while blocking negative one and producing a tranquil environment. The dimensions of the base can be customized upon request by the client.
