SOCTARE LARGE BLACK VASE

\$2,220

DESCRIPTION

Brimming with refined sophistication, this vase from the Socrate collection is defined by a rectangular shape and a unique black color obtained with the "sbruffo" technique, whereby Murano glass artisans apply extra layers of colored glass while the piece is turning, so that the outer color appears to be brushed onto the piece. Added to a personal collection or gifted on special occasions, this vase will make an elegant statement on a console or bookshelf. Available in other color combinations: crystal/gold, white/steel, and crystal/gold/smoky.
