**SODALITE CUP**

\$720

## DESCRIPTION

This stunning exemplar of exquisite stone craftsmanship showcases a breathtaking indigo blue cup, cut from a single block of South African sodalite, renowned for its innate healing properties. Sculpted with a classic pedestal base and rimmed edge supported by a graceful stem, the circular bowl's polished inner and outer surface highlight the refined white veins and unique gold flecks. With its classical allure and regal features, this is a perfect display piece for any traditional living or workspace.
