SOFFICE CEILING LAMP

\$740

DESCRIPTION

This striking ceiling lamp is modern and elegant and will make a statement in any decor. Its structure is in bronzed steel that creates a grid onto which the white Murano glass is mouth-blown generating a unique effect that resembles a multitude of bubbles enclosed in a grid. This modern interpretation of the traditional Venetian lantern was entirely handmade and comes with three E14 max 40W lightbulbs, available also in the UL version E14 max 40W. Contract and commercial certifications available upon request.
