SOL 2-SEATER SOFA

\$12,130

DESCRIPTION

An exquisite combination of colors, high-tech materials, and masterful craftsmanship, this sofa is composed of two independent modules boasting a clean and essential design. Resting on a blue-lacquered structure made of bent cylindrical stainless steel and equipped with technical belts, the seat cushions are padded with soft and water-resistant Dry-Fly foam and covered in beige fabric. The backrest of both pieces is made of hand-woven technical rope adding a unique character to the sofa. This piece is widely customizable, please ask the Concierge for further details and additional features.
