SOLID GRAY PILLOW CASE

\$220

DESCRIPTION

Striking in its simplicity, this refined square cushion is woven of soft gray 100% silk jacquard respecting top-quality artisan standards. Tone-on-tone, mitered corners frame the padded center, which will play a delicate moisturizing function when touching the skin thanks to the amino acids naturally composing the silk fibers. A concealed zipper completes the design. Please inquire with the Concierge to request the 40x40 and 30x40 cm sizes.
