\$355

#### DESCRIPTION

A dance of subtle curves and bold finishes, this precious ceramic vase is a whimsical revisit of classic forms. Handcrafted using ancient Sicilian traditions, these vases depict Suleiman the Magnificent of the Ottoman Empire with his flowing turban and bold mustache, and his wife Roxelana, with her voluminous hair, pendant earrings, and almond-shaped eyes. The vases are united in their captivating gazes, attenuated necks, and striking blue-green glaze, and will make a statement in a modern or rustic interior. Also sold individually, please ask the Concierge.
