### SOLIMANO & ROXELANA RED VASES

\$355

#### DESCRIPTION

Handcrafted entirely using traditional Sicilian techniques, these vases are stunning decorative accents that will stand out for their modern aesthetic and elegant charm. They depict Suleiman the Magnificent, with his flowing turban and furrowed brow, and his wife Roxelana, with her voluminous hair and captivating gaze. Both vases are aesthetically united in the attenuated necks, thick-rimmed mouths, and deep crimson-red glaze. Ideally displayed as is or with tall flowers and branches, these pieces can also be sold individually, please ask the Concierge.
