SOPHIA LARGE GOLD CENTERPIECE

\$650

DESCRIPTION

This sumptuous piece is a celebration of Italian architectural heritage, with its elegant silhouette reminiscent of a classical portico surrounding a piazza. This superb centerpiece is handcrafted of ceramic and boasts delicate details in 24k gold. Elevating an everyday object to a work of art, this centerpiece can be displayed on a dining table, coffee table, or console both in traditional or modern interiors, where it will become an eye-catching decorative and functional addition to enrich any decor.
