SOUVENIR DE VOYAGE MOSAIC PANEL D PINK

\$11,260

DESCRIPTION

An exquisite solution to bring sophistication to any room, this panel designed by Gupica depicts an Italian country landscape inspired by the customary Grand Tour of the 17-18th century undertaken by European youth. Made of ocher and pink TILLA® picotesserae, small colored glass tiles obtained with nanotechnology to improve its optical aesthetics, the tiles are decorated with pearled leaf and assembled on a wooden panel covered with FENIX NTM®, a protective nanotech material. This exquisite panel is outfitted for wall mounting with two back metal grommets. Fenix color: beige; Grout color: light beige tone
