## SPAGHETTI EXTRACOLOR EXTRA LARGE VASE BY GAETANO PESCE

\$730

### DESCRIPTION

What could be more Italian than an abstract pile of spaghetti transformed into a stunning, cutting-edge design object. This soft resin vase was created in 1995 by the world-famous designer, Gaetano Pesce, for the Fish Design collection. Hues of clear pink, fuchsia, and amber intermingle, as do the item's organic lines, for a harmonious yet complex result. Each piece is handmade so colors may differ slightly from the image shown.
