## SPAGHETTI WHITE CENTERPIECE/PLATE

\$140

### DESCRIPTION

This stunning object is part of the Spaghetti collection, whose defining feature is its stunning texture that was obtained with the "sac a pochette" technique and features a series of curved and sinuous bas-relief decorations that evoke the asymmetric pattern of spaghetti. Crafted by hand, this plate can also be used as a centerpiece, to display and serve collectibles as well as food. Its semi-opaque finish is in pure white. The plate features two back holes to hang it on a wall.
