SPAGHETTI WHITE ROUND VASE

\$120

DESCRIPTION

The round silhouette of this vase, resting on a short plinth base and ending in a small mouth on top, was crafted entirely by hand of ceramic and is part of the Spaghetti collection. As its name suggests, the decorative element of this series is the bas-relief pattern made with the "sac a pochette" technique, that creates a striking pattern of long noodles. A semi-opaque finish completes this piece that can be combined with others in the same series.
