SPAGHETTI WHITE VASE HOLDER

\$170

DESCRIPTION

This unique and modern vase holder is part of the Spaghetti collection, distinctive for its striking texture enlivened with a series of curled and sinuous elements that evoke the shape of spaghetti in a bowl, obtained with the "sac a pochette" method. In this case, the handmade piece, crafted of ceramic with a semi-opaque white finish, features a round shape that will enclose a vase in an entryway, living room or patio, and can be combined with other decorative items in the same series for a cohesive look.
