SPAN OUTDOOR RECTANGULAR DINING TABLE BY JOHN PAWSON

\$18,450

DESCRIPTION

Merging prized natural materials with a contemporary design aesthetic, this dining table will enhance the look of any outdoor and indoor decor. The Outdoor Span collection by master minimalist John Pawson is a celebration of austere forms emerging from the white Carrara marble. This sleek design with solid proportions will stand out in a large outdoor patio. The horizontal top meets the two vertical, solid legs in a clear geometric silhouette whose minimalist allure is enhanced by the combination of textures: grey-brown hues of the natural Avana legs and milky white of the Carrara top.
