SPHAERA DECANTER PLATINUM VASE

\$160

DESCRIPTION

This elegant vase is part of the Sphaera Collection. Shaped like a decanter, this piece is fashioned of ceramic with a white finish that highlights the sinuous silhouette and ornate mini-handles on the bottom, hand-applied and painted in elegant platinum. This piece is fired three times in the kiln to set the striking colors. Eclectic and unique, this design will complement a contemporary interior and can be displayed with others in the same series for a stunning effect in any room in the house.
