SPINETTA CONSOLE

\$9,890

DESCRIPTION

This elegant console features three legs and a striking top that resembles the shape of a 17th century precursor of the piano, called "spinetta" in Italian. This unique shape of is mirrored in the top element and the musical references continue in the linear decorations in the shape of a music staff. The difference in hues is achieved by the various types of wood used: ash, cherry, and padauk. The front drawer is in wenge wood.
