SPIRAGLI WHITE TALL VASE #2

\$190

DESCRIPTION

Elegant and timeless, this vase can be the focal point on a mantelpiece or console, either alone or combined with other pieces in this collection to create one's still life. This piece is lacquered white and embellished with black pencil undercoat hand drawings that complements the crystalline gloss and gold overglaze applied as third firing. Either alone, or combined with other vases of the same Spiragli collection, this piece will add elegance to a home with its subtle charm.
