SPIRALE MARE PUMO SCULPTURE

\$105

DESCRIPTION

An ideal object of decor in nautical interiors, the delicate design, and calming color palette make this refined sculpture widely versatile. This modern interpretation of a "pumo" (from the Latin "pomum" - fruit) is crafted of enameled ceramics and painted in a graceful spiral of shades of blue and white. Since immemorial times, it is a symbol of fecundity and rebirth in the Apulian region.
