**SPLIT COFFEE TABLE IN TIGER ONYX MARBLE**

\$5,370

## DESCRIPTION

This elegant coffee table features a magnificent top comprised of two slabs of Italian tiger onyx with their striking veins that run vertically across the top, joined together with a brass element that accentuates the geometric silhouette of this piece. The supporting structure is in metal that was laser cut in thin pieces, making it lightweight. The marble top has a coat of resin at the bottom. Other marble is available upon request.
