SPRINKBOK HORN SHOEHORN

\$510

DESCRIPTION

A nice gift for any man or woman, or a luxurious addition to a collection of vintage-inspired accessories, this shoehorn will complement any shoe closet. The ergonomic spoon of polished ox horn is attached (via a nickel-polished ring) to a stunning handle crafted of a sprinbok horn. This magnificent horn has a half-twisted style, straight at the base with a slight backward curve on top. A must-have accessory to assist putting shoes on preventing strenuous bending, each shoehorn will show slight differences in color and pattern due to the nature of the crafting material.
