SQUARE CEILING LAMP II

\$1,950

DESCRIPTION

Part of the Square collection, this ceiling lamp can be attached directly to the ceiling, creating a diffused light that will be ideal for a room of any height. The rectangular structure is in brass with a chrome finish and this minimalist frame supports the fabric shade of the same shape. Dimensions can be changed and it is also possible to request an outdoor version, with a shade made of satin-finished glass. Please ask the concierge for details.
