SQUARE GLASS TABLE

\$4,430

DESCRIPTION

A magnificent example of masterful craftsmanship, the base of this table is crafted of hand-forged iron, shaped to resemble curved branches and leaves positioned at the four corners of the piece, and supporting the glass top with delicate round edges. The iron structure has a gold finish with an aged patina that gives a charming allure to the piece. This stunning table will be a precious addition to a classic decor and its reduced size makes it an ideal piece also for small spaces.
