SQUARE PALM SIDE TABLE BY PIERO ANGELO ORECCHIONI

\$6,270

DESCRIPTION

This elegant side table will add a refined contemporary flare next to a couch or between armchairs in a modern home. Designed for Marioni by Piero Angelo Orecchioni and presented at the 2019 edition of Milan's Salone del Mobile, the structure comprises two tops layered with a black-lacquered wooden shelf below and an extra-clear glass above. The support consists of three brushed brass bars that give the piece a sculptural allure. The combination of materials can be varied upon request, please ask the Concierge for details.
