STAG ANTLER SHOEHORN

\$600

DESCRIPTION

Exquisitely crafted of luxurious materials, this elegant shoehorn is 86 cm long to comfortably assist in putting on shoes and heels, while preventing the need for strenuous bending. Fashioned of a slim chestnut wood body with a long ox horn spoon, the handle of this unique accessory is a beam from an original stag antler. All metal parts are made of nickel-plated brass that add a vintage look.
