STALATTITI CHAIR

\$10,140

DESCRIPTION

Entitled "Stalactites", this chair is a superb work of functional art, showcasing the exquisite hand-craftsmanship of artist Salvino Marsura. Entirely forged by hand of steel with welded cut-outs, this piece boasts a simple structure and a long backrest made of irregular elements forming a striking texture. A piece of strong visual impact, this chair can be displayed in a contemporary entryway, living room, or study to make a statement.
