STEFANINA PICKER OF POMEGRANATE SCULPTURE

\$545

DESCRIPTION

Testament to the Sicilian tradition of Moor's head reinterpreted in a stylish contemporary key, this ceramic head can be used as a flower pot or decorative sculpture for indoor and outdoor settings of any style inspiration. Adorned with a wreath of vivid red pomegranate applications matching the lively shade of the subject's lips, it is enameled in a delicate cream tone and enriched with green details.
