STEREO SET OF 2 BLACK CHAIRS BY LUCA NICHETTO

\$990

DESCRIPTION

This modern, versatile design is offered in a wide range of colors and materials to be used in different interior styles. The contoured and ergonomic seat (45 cm height) is made of black polypropylene, glossy on the back and matte in the front, and is supported by four slanted legs of natural oak wood. Customization is available for a partial or completely upholstered seat in leather or fabric, please ask the Concierge for details.
