STILL LEAVES PLANE TREE SCULPTURE

\$410

DESCRIPTION

Enhanced by the natural reflections of copper, this handmade, decorative sculpture features a plane tree leaf with a three-lobed shape and cut-out, detailed veins and midrib. Part of the Still Leaves Collection of life-like leaves handcrafted of precious metals, this sophisticated piece will add a decorative touch of nature to any home decor. Can be displayed on a bookcase with other items from the same collection to create a stunning look.
